## 2013 Cabernet Sauvignon

Estate Grown and Bottled; Finger Lakes AVA

Cabernet Sauvignon is the main grape of Bordeaux France where it originated. Often considered to be the “king of red wines”, Cabernet Sauvignon is a challenging, yet rewarding variety to grow

in the Finger Lakes.

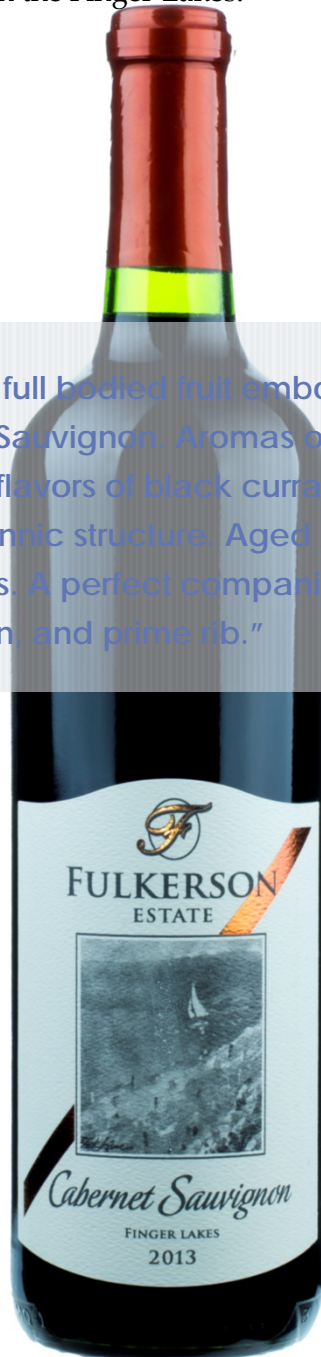

“Old world character and ripe full bodied fruit embody this estate grown Cabernet Sauvignon. Aromas of dried hibiscus lead to full rich flavors of black currants and vanilla with a bracing tannic structure. Aged in toasted oak barrels for 2 years. A perfect companion for cheeses, filet mignon, and prime rib.”

## Viticultural Notes

Grape: Cabernet Sauvignon

Harvest Date: October 8, 2013

Cabernet Sauvignon is one of the most challenging grape varieties to cultivate. The small berries give intense color and flavor to the wine. Ripening a little later than some of the other late season varieties, flexibility of harvest date can be limited, and care

## Winemaking Notes
