

Sunset Blush

Finger Lakes AVA

The “Dirigible” series of wines gets its name from the USS Akron, a rigid airship (Dirigible) that flew over our farm in the winter of 1933. In commission for only a few years, these floating aircraft carriers were 785 feet

long, 146ft in height and held 60 crew members, carried 3 aircraft and could cruise at a speed of 55 knots. These Dirigibles were filled with helium, making them safer than the German counterparts.

“The anytime relaxin' hot tub wine. The flavor of Catawba grapes make it truly outstanding. It's a beauty! Pairs great with cheeses, friends and good times!”

WINEMAKING NOTES

Bottling date: 5/28/2021

Fermentation: Stainless Steel

Yeast: Varies

Alcohol by volume: 12%

Labeled alcohol: Table Wine

Brix at harvest: Varies

Residual sugar: 8%

IRF scale: Sweet

TA (Titratable Acidity): 5g/l

pH: 3.45

Age ability: 1-2 years. Our Dirigible series is produced with immediate consumption in mind.

Serving temperature: 55°-60°F

Tasting notes: Fruity, almost cherry jolly rancher with a hint of chocolate.

Pairing suggestions: Summer picnic foods, pizza, wings and ribs.

VITICULTURAL NOTES

A blend of Catawba, with a small amount of seedless grapes, this wine is grown mainly on the soils of Keuka Lake. These glacial soils are deep and heavy, giving

the Catawba a good acidity that refreshes the palate and pleases the soul.

Grape: Catawba, Red Seedless

Harvest date: Varies
