

## Sunset Blush

Finger Lakes AVA

The "Dirigible" series of wines gets its name from the USS Akron, a rigid airship (Dirigible) that flew over our farm in the winter of 1933. In commission for only a few years, these floating aircraft carriers were 785 feet

long, 146ft in height and held 60 crew members, carried 3 aircraft and could cruise at a speed of 55 knots. These Dirigibles were filled with helium, making them safer than the German counterparts.

"The anytime relaxin' hot tub wine. The flavor of Catawba grapes make it truly outstanding. It's a beauty! Pairs great with cheeses, friends and good times!"

## WINEMAKING NOTES
